TUITION AGREEMENT

Your re-enrollment fee is only effective for securing your child's position if your account is current.

There will be a \$15 late fee for accounts paid after the 15th of the month. Tuition is due on the 1st, not the 15th! Students whose accounts are 45 days past due will not be allowed to attend OCS.

On accounts for students withdrawn (or required to leave due to discipline) for any reason after the first day of school, 10% of the unpaid annual tuition and fees shall be deducted from any refunds due. Also, a withdrawing student (or student required to leave due to discipline) shall be charged a full month's tuition for any portion of a month in which he/she attended school.

The Oroville Christian School Board reserves the right to determine tuition and fees. The Board will establish tuition and fees in keeping with sound fiscal practices and may make changes at any time at its sole discretion. Parents will be notified 30 days ahead of time of any changes in tuition.

Signing this agreement does not imply promotion from a student's current grade.

This agreement must be signed by the parents or legal guardians who assume full financial responsibility for tuition and all other fees, and becomes effective upon the school's receipt of this agreement.

The re-enrollment fee secures your child's enrollment on a first-come, first-served basis among current students. Position(s) cannot be secured without the fee. If enrollment for a classroom is approaching capacity, then students will be admitted according to the date of their original application until the class is full. Those next in line will be placed on a waiting list. Re-enrollment fees for those on waiting lists will be refunded upon request, with the understanding that the applicant's position on the waiting list is thereby forfeited.

Students currently enrolled are given preference during early enrollment. However, failure to re-enroll before *April* jeopardizes that student's enrollment. After the *April* deadline, enrollment is determined by first-come, first-served and enrollment is open to all qualified applicants.

Signing below indicates that you have read and understand the above and agree to its content. Furthermore, you are agreeing with the school's principles and policies in the Parent / Student Handbook.

Before signing, be sure to choose your payment option on the reverse side!
